

## URAC Aquatic Centre Update - 2012

### Welcome back to 2012:

We would like to welcome everyone back to URAC Aquatic Centre for 2012. As you would be aware there have been some significant improvements made to the quality of the facilities over the Christmas closure period with expansion joints being repaired, change room rectification works completed and some painting and cleaning tasks undertaken in an effort to make the facilities as fresh as possible. We hope you enjoy the facilities even more this year and look forward to seeing you around the pool shortly.
